Lane Closure Report for the week of 8/21/17 – 8/25/17

Inyo, Mono & Eastern Kern Counties – The California Department of Transportation (Caltrans) would like to alert the traveling public to be careful of workers on the Highway, to Slow for the Cone Zone and Move Over where possible. The scheduled lane closures for the week of August 21st through August 25th, 2017 are as follows:

Mono County:

- **Walker CAPM Project** – On US Highway 395 from Walker to the Nevada State line, construction crews are grinding and paving the highway. There will be daily lane closures that may delay traffic up to 20 minutes Monday thru Thursday from 6:00 am to 6:00 pm, and on Friday from 6:00 am to 3:00 pm.
- **Mammoth Lakes Sidewalk & Safety Project** – On State Route 203 in Mammoth Lakes between Minaret Road and Mountain Boulevard crews are constructing sidewalks on the north side. There will be daily lane closures that should not impact traffic. Construction is Monday thru Thursday
- **108 Digout Project** – On State Route 108 from the Toulumne County Line to 5.3 miles west of Hwy 395, construction crews are grinding and paving the highway. There will be daily lane closures that may delay traffic up to 20 minutes Monday thru Thursday from 6:00 am to 6:00 pm, and on Friday from 6:00 am to 3:00 pm.

Inyo County:

- **Mill Creek Thin Blanket Project** - On US Highway 395 north of Bishop, construction crews are grinding and paving the highway. There will be daily lane closures that should not impact traffic. Construction is Monday thru Thursday from 6:00 am to 7:00 pm, and on Friday from 6:00 am to 3:00 pm.
- **168 Delineator Replacement Project** – On State Route 168 from the east junction of US Hwy 395 to the junction of State Route 266. Construction crews will be removing old delineators and installing new ones. Delineators are posts placed on the side of the roadway that are retroreflective and used for the purpose of traffic guidance. There will be daily lane closures that may delay traffic up to 20 minutes Monday thru Thursday from 6:00 am to 6:00 pm, and on Friday from 6:00 am to 3:00 pm.

BE WORK ZONE ALERT

TRAFFIC ADVISORY

- **Crystal Geyser Water Plant Project** - On US Highway 395 north of Olancho, construction crews are widening the highway. There will be daily lane closures that may delay traffic up to 20 minutes Monday thru Thursday from 6:00 am to 8:00 pm, and on Friday from 6:00 am to 3:00 pm.

Kern County:

- **Freeman Gulch 4-Lane Project** - On State Route 14 north of the junction of State Route 178, construction crews are converting the 2-lane highway into a 4-lane expressway. Travelers will encounter a dirt detour off of State Route 178 east of the intersection with State Route 14. There will be daily lane closures on State Route 14 that may delay traffic up to 20 minutes Monday thru Thursday from 6:00 am to 8:00 pm, and on Friday from 6:00 am to 3:00 pm.
- **Tehachapi CAPM Project** - On State Route 58 near Tehachapi from the Tehachapi Creek Bridge to the Cache Creek Bridge, construction crews are grinding the existing pavement and resurfacing the roadbed. There will be daily lane closures that will slow down traveling through this section. Lane closures are Monday – Friday, 24 hours a day.
